President's Corner by Bruce Fouraker

The past 3 years have been interesting to say the least. While the Falcon Chapter has a small group of people who are active, there is a group of 470 members who are on the roster but are seldom seen. After serving as chapter president for three years it is time to move. My last day as President will be on October 15, 2015.

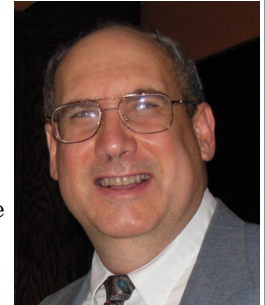

I would like the active membership to think about who will assume the position when I leave. After my last day, I still will attend some meetings and maybe some activities but do not wish to retain a leadership role in the chapter. Therefore, I ask anyone who wishes to step up and take the reigns to consider it at this point.

It is time for someone else to emerge and to take this role. I ask those members to consider becoming active in the future. If every member committed to doing something for the chapter for just two hours per quarter and would commit just \$20 per year to the replenish the chapter's educational funds then the Falcon Chapter would be the best AFA Chapter in the state.

I ask that everyone consider as the chapter changes hands in October, to just make these two small commitments.

Bruce A Fouraker, President

Bruce Fouraker

Bruce Fouraker, Pres,

AFA Falcon member reinstated as USAF Auxiliary Chaplain.

Lt. Col. Dewey Painter, CAP, a long standing member of the AFA and of the Falcon Chapter, in 2008 changed from being a serving Chaplain to a Line Officer in order to develop and command a local Civil Air Patrol Squadron in the Jacksonville, Florida area known as the Springfield Composite Squadron FL-027. After three years the unit was merged with the Cecil Field Squadron FL-142 after which Lt. Col. Painter took a leave of absence due to pressing Ministry and health issues. At his request he was reinstated as a Chaplain by the Chief of Chaplains for the USAF Civil Air Patrol in March 2015. He completed the recent Southeast Regional Chaplains College, a refresher course for serving Chaplains and appointed as the Deputy Wing Chaplain. for the Florida Wing.

MEMBERSHIP

Renewal List Second Quarter 2015
The Officers of the Falcon Chapter hope that everyone on the list here will renew membership. **Anyone on the list who has renewed please accept our thanks for your renewal.** For regular memberships the yearly rate is \$45, by renewing for three years at \$110 **you save \$25.** If you become a life-long member for \$600 you are getting your membership free after year 14. In addition now a new one year e-membership for \$30. Visit <http://www.afa.org/AFA/Join> Regular members may renew at <http://www.afa.org/search/?executeSearch=true&SearchTerm=renewals> **Community Partners** should renew by contacting Ernest L. Webster at ewebs13@hotmail.com. You may also send your renewal checks to Ernest L. Webster, Treasurer at 1822 Brush Hill Drive, Jax, FL 32211

Scholarship Funding - To All Falcon Chapter Members: Please give consideration to contributing to our scholarship fund. We need to replenish the funds. A \$20 or \$25 dollar check from 100 members will give two cadets \$500 towards books, tuition, etc. and we have 6 schools where students need our help so you can see where we need even larger donations. If you know a business owner, doctor, dentist or anyone who could be a **Community Partner** encourage them to sign on. A \$200.00 Community Partner is an even bigger help and we need a lot of them. Come to the Monthly Biz Meet 1st Tuesday each month to see what we are doing. We need your help.

BBQ Send-Off for Air Force Academy Cadets and Preppies Hosted by AF Academy NE Florida Parents Association

New Cadet information meeting and send-off BBQ hosted by Jim and Anne Borngesser. The Association parents gathered to support the Basic Cadets as they prepare for their trip to

the Academy. A briefing was held covering several different topics to include - what to pack, cell phone usage, Webguy, squadron assignments and Parents Weekend. The hosts, Jim and Anne Borngesser shared their experience from last year when their daughter entered the Academy. Other parents with current cadets in attendance included Ed and Debra Gaynes, son Daniel C3C (not in attendance) and Dave and Misti Frost, son Randy (not in attendance). Basic Cadets entering the Academy for the NE Florida Association are Avery Chatmon (pictured), Michael Fonteno and Logan Taucher (Not pictured).

STARBASE TODAY - 2015

STARBASE Florida in its twentieth year

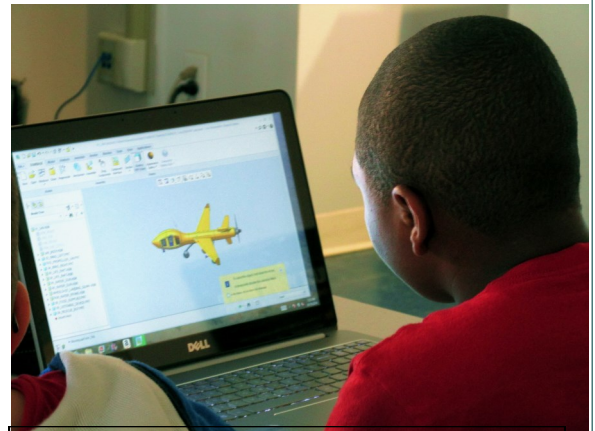

This season we implemented a new STEM initiative in the STARBASE classroom with engineering software from

Parametric Technology Corporation (PTC) using Pro Engineering CREO with our fifth grade classes.

Students use the design and modeling software to design an unmanned aerial vehicle (UAV) set up for search and rescue. (Reference photo at right). The learning curve for the industry leading CAD program was steep for the instructional staff in the beginning but the scholars have quite taken to it.

Later in the STARBASE week the students fly the UAV in the simulator program on a search and rescue (SAR) mission on the Big Island of Hawaii. Student must triangulate on Emergency Locator Transmitter (ELT) signals to determine the bearing to the missing aircraft from Kailua Kona airport, on the west side of the island. GPS overlays to the program enable students to identify the location of the rescue site with latitude and longitude coordinates after locating the site.

As with other STARBASE lesson series, the hands-on problem solving models integrates Science, Technology, Engineering and Mathematics in a fast paced fun setting. Scholars hardly realize they are using math to solve the tactical problems of the mission simulation. Other aspect of the new Engineering program include designing a lab module for the international space station. If you are on base stop by to see our amazing students navigate the new STEM series in the classroom. Greg Stritch, Director, STARBASE Florida

CYBERPATRIOT VII

AWARD Winner - Local Jacksonville Composite Squadron SER-FL 383 (CAP) placed **Third in the Middle School Division** within the states nine winners. Under the coaching of Chad Tripp, the team excelled within fifty other Florida units. Competition was high with over 1200 cyber teams competing nationwide. Cyber Patriot is the National Youth Cyber Education Program. 2014 year's Cyber Patriot competition was a superb success. Awards are issued by National Cyber Patriot Office.
